

ENGLISH EXTENSION 1

Description

This is a very challenging course designed for students undertaking English Advanced who choose to study English at a more intensive level.

Students undertake an academic study of complex texts and concepts. Students explore ideas of value, consider how they arise and why texts are perceived as culturally significant. Students studying this course will be challenged by studying how and why texts are both reflective and inflective of society. Students need to be prepared to work independently and to read a wide range of texts.

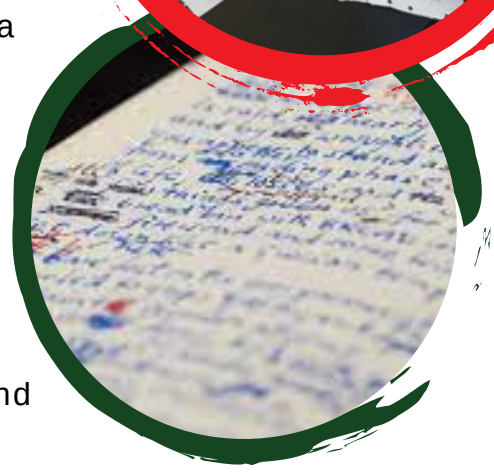

Assessment

This includes a multimodal presentation, creative writing, a writing portfolio and extended responses.

Additional Information

Students must be studying Year 11 English Advanced. Students wishing to take Extension 2 in Year 12 must select this course. For the purpose of senior English, we advise that students work in a folder or an A4 workbook and bring their own device.

Costs

Excursion costs are additional.
