

NUMERACY

Description

This course is focused on the development and consolidation of core numeracy skills. These skills will be developed through authentic and relevant learning scenarios such as budgeting, shopping, record and account keeping, and a range of real-life activities requiring numeracy.

This course is appropriate for students who need further opportunities to develop essential numeracy skills required for everyday life, including work, learning, community engagement and personal contexts.

This course is recommended for students who are yet to demonstrate achievement of the HSC Minimum Standard in numeracy. Students who have already achieved the HSC Minimum Standard in numeracy will be better placed studying Mathematics Standard in Year 11.

This course will count towards the Higher School Certificate as a Board Endorsed course.

Assessment

The Numeracy course is a Content Endorsed Course (CEC) and results are not eligible for inclusion in the calculation of the Australian Tertiary Admissions Rank (ATAR). As a CEC, there will be no HSC Examination for the Numeracy course.

Additional Information

This Numeracy course is aligned with ACSF Level 3, as is the HSC Minimum Standard for numeracy. The course will support students to meet the HSC Minimum Standards in numeracy.
